

Privacy Policy

Tailormade I.T. Solutions respects your privacy and is committed to protecting your personal information that you provide to us. This statement explains our policies regarding the use and disclosure of your personal information by Tailormade I.T. Solutions.

Tailormade I.T. Solutions reviews and updates this *Privacy Policy* from time to time as needed without notice. Therefore, you should review the terms of this policy periodically to make sure that you are aware of how Tailormade I.T. Solutions collects and uses personal information. By using our web site, you consent to the collection and use of your personal information by Tailormade I.T. Solutions as explained below.

Personal Information.

You have complete control over your personal information. In general, you can visit our web site without providing us with any personal information. However, there are instances where Tailormade I.T. Solutions must have your personal information in order for us to accept your enquiry and confirm your booking.

This information may include your name, address, email address, phone number, title, etc., information request data and response data, and some technical information about your PC, which may include details of your PCs CPU, RAM, Operating System, Browser, etc. ("User Information").

Disclosure of User Information.

Tailormade I.T. Solutions does not sell, trade or transfer User Information to third parties.

Accuracy and Security.

The accuracy and security of the User Information is important to Tailormade I.T. Solutions. You may review and request updates to your User Information retained by contacting Tailormade I.T. Solutions. If you contact us to correct your User Information, we will attempt to correct such inaccuracies in a timely manner.

Tailormade I.T. Solutions is concerned with the security of your User Information and is committed to taking reasonable steps to protect it from unauthorized access and use of that personal information.

To that end, we put in place the appropriate physical, electronic and managerial policies and procedures to secure your personal User Information, including AES 256 bit encryption of User Information.

External Links.

Tailormade I.T. Solutions web site provides links to other third party web sites. Even if the third party is affiliated with Tailormade I.T. Solutions through a business partnership or otherwise, Tailormade I.T. Solutions is not responsible for the privacy policies or practices or the content of such external links. These links are provided to you for convenience purposes only and you access them at your own risk.

If you have questions regarding our Privacy Statement, please contact Tailormade I.T. Solutions via our [Contact page](#).
